**WE BUILD
WITH
PASSION**

Who We Are

We are glad to introduce ourselves as one of the leading Architectural, Interior Design & Fit-Out Company, founded in 2021, based in Bahrain. Rosh Woodworks w.l.l has developed into a fully integrated practice providing Structural, Architectural, Interior Design, Value Engineering, Fit-out and Project Management services for a wide range of prestigious construction projects. The company has highly qualified and experienced Interior designers, Engineers and Project Managers, all experts in their respective disciplines.

What We Do

Roshwood works w.l.l offers a wide range of services which provide complete solutions to any type of interior & civil work projects. We offer customised fit-outs for commercial and residential projects. We design and manufacture all joinery & steel in-house at our technologically advanced workshop, giving you the benefit of bespoke finishes and innovative design. We provide interior fitouts for projects of different scales.

Mission

To deliver high-quality, cost-effective projects on schedule by employing and supporting motivated, flexible, and focused teams. We value the importance of our relationships and will continue to remain fair and true in our dealings with all employees, clients, vendors. Our clients count on our dependability, our drive, and our integrity. We take great pride in our accomplishments and build on them every day.
